WHY CHOOSE A MICROSOFT TEAMS ROOM SOLUTION?

Microsoft Teams Rooms are a great way to bridge the gap between people working remotely and those in the office. They offer a complete meeting experience with HD video, audio, content sharing, and rich collaborative Teams experiences to spaces of all sizes.

Microsoft Teams Rooms also offer unique in-room capabilities like one-touch join, content cameras to share physical whiteboards into the meeting in an intelligent way and proximity features like seamlessly transferring a Teams meeting from your personal device to the room.
