My typical working day

Book in client meetings so I can try and generate new opportunities, handing of emails, renewals and queries

I joined inTEC in...

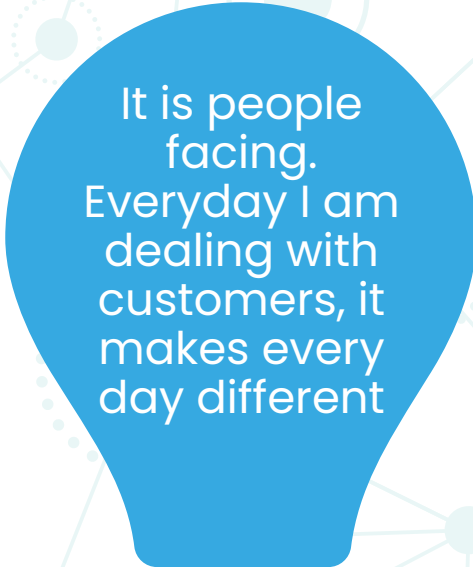

2024

If I was stranded on a desert island, ONE item I would need is...

E-reader, I am obsessed with reading

What most interests you about the tech industry?

The pace and continuous change

It is people facing. Everyday I am dealing with customers, it makes every day different

Maintaining work/life balance

I have a pretty full schedule outside of work with all my daughter's activities so it doesn't leave too much time to be constantly over-working but when it does, I am made very aware!

My pet peeve is...

Rudeness

Best bits about my role...

I define success as...

Being good enough at you role you're seen as a subject matter expert and relied on as the go to person. Having the ability to also help others reach their goals is success for me.

Unknown fact about me!

I've been to over 100 countries and only refused entry to one!
